

Brownfields Grant Workshop: *How to Write a Proposal*

Join us to learn about federal and state financial and technical resources available to assess and clean up brownfields in your community. Brownfields are more than just abandoned industrial facilities. Brownfields funding is also available to help communities clean up abandoned gas stations, dump sites and mine scarred land.

Learn about EPA's Grant Program.

- What are the different grant types?
- Who is eligible to apply?
- What kind of activities do we fund?
- What is the grant application process?
- What makes a good application?
Grant writing tips.

Also learn more about State environmental funding programs for hazardous and petroleum brownfields.

Who Should Attend?

Local governments, economic development agencies, and non-profit organizations interested in applying for EPA brownfields grants are encouraged to attend. These workshops are being sponsored by EPA and the local state environmental agency. Those interested in attending are required to register as soon as possible, as workshop space is limited.

How to Register

To register, send an e-mail including which workshop you will be attending, your name, organization, telephone number, and e-mail address to:

region3brownfieldspa1@sra.com
